Members of staff in one of the sessions at the retreat

Teaching staff at the Department of Human Anatomy retreated for three days at Lerruat Lodge, Kajiado. This retreat came after a three year recess from annual teaching staff recesses at the department. During this meeting, members reviewed teaching and learning in the just ended academic year as well as planned for the upcoming calendar year. Staff related issues were also discussed. At the retreat, departmental committees were reorganised to increase efficiency. Formalin pollution in the department was highlighted. This necessitated a change in the approach of teaching and instructing gross anatomy protect staff from this carcinogen.

Prof. CF Otieno, the dean school of medicine was in attendance. He promised administrative support to the departmental programmes.

Expiry Date: Fri, 2022-09-30 (All day)
