

WORDS OF WELCOME TO STUDENTS DURING ORIENTATION WEEK

DR. BEDA OLABU,

LECTURER,

Department Of Human Anatomy and Physiology

On behalf of the department of Human Anatomy and Physiology, I wish to Congratulate and welcome you to our department within the Faculty of Medicine, University of Nairobi! Feel at home. The Department of Human Anatomy and Physiology family is your family, and it's a tight family. You will make friends here who will be a part of your life for a long time and those friendships extend to those who have gone before and those who will come after.

"We will do all we can to ensure your success. In fact, I believe this Department is only successful when all of us are rooting for each member of Department Of Human Anatomy And Physiology's family!

"We will do all we can to help you become whoever it is that you want to become and I have no doubt that we'll love the world that you will create through your actions and thought."
